

# NEO ART SPACE

A Wow-Inspiring VR Adventure  
that's Out of this World!

## Neo Art Space is the First Galaxy of VR Art Entertainment

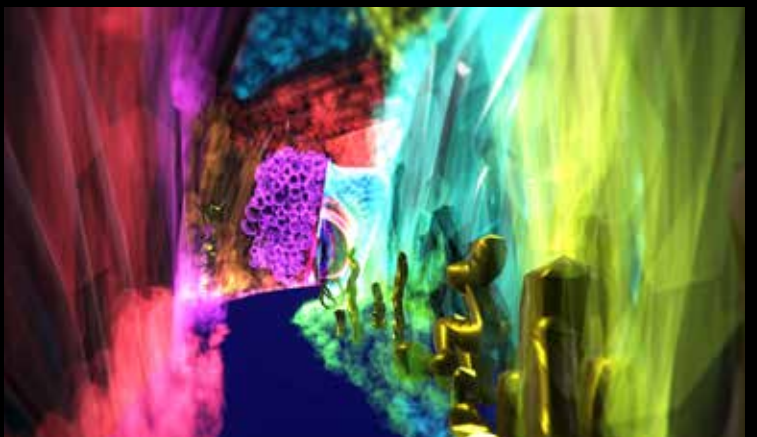

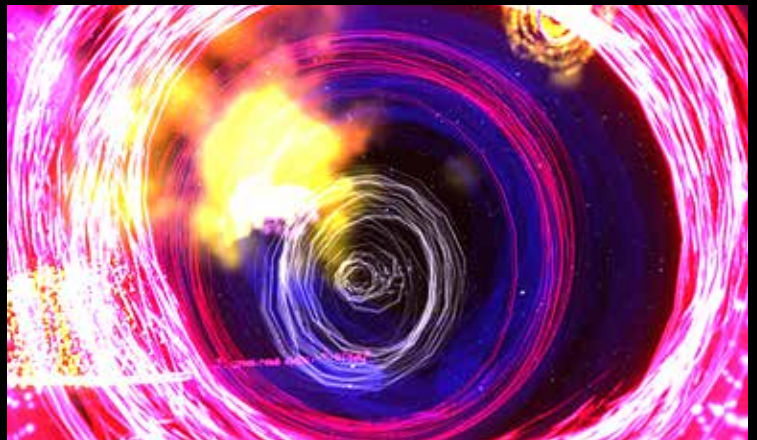

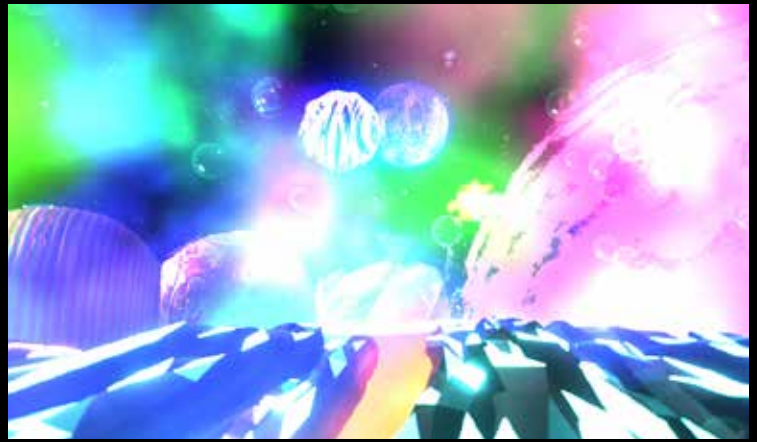

Users feel like they've left earth ...  
transcending time and space ... to experience  
the most beautiful creations of an alien civiliza-  
tion while walking amidst planets and stars.

Award-winning artist Philip Noyed created  
Neo Art Space to be a transformative  
experience that provides people with feelings  
of awe, wonder and joy.

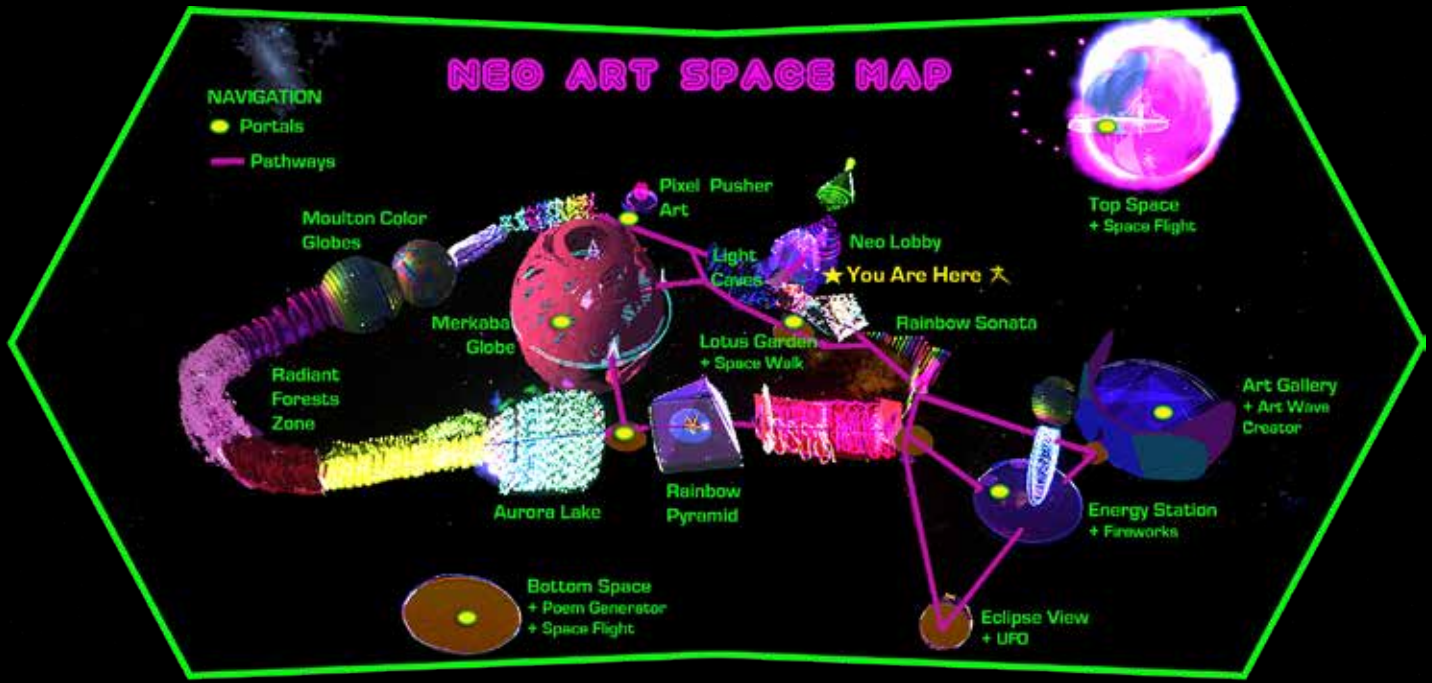

Emmy-Award winning musician, Jim Oliver,  
provides beautiful, ethereal music and spatial  
sound effects.
